

Spokane Athletic Co-op

Dear Parents and Players,

Spokane Athletic Co-op is blessed that your child/children would like to participate in our sports program. Below and attached, please find the guidelines and requirements to participate.

1. A parent/child meeting with a board member may be necessary on a case-by-case basis.
2. Academic eligibility is required. Parents are responsible to monitor their child's progress at school (home or private). If your child is falling behind, we will support you in taking measures, including removing child from practices and games, to bring your child back up to a suitable place in their studies. Understand that removing them affects the entire team, so please make your child aware of that.
3. A copy of a recent physical examination by a medical practitioner will be required. This will be sufficient for two years.
4. Signed copies of the Player Standard of Conduct and (2) Liability Release forms will need to be agreed to and signed prior to participation.
5. The Player Standard of Conduct, practice and game requirements, dress code, and respect for the coaches, administration, referees and the other teams participating in the league must be adhered to throughout your child's time of participation in Spokane Athletic Co-op.
6. There is a fee for each player who participates. If there is more than one player per family we will provide a discount for the additional players (except in Cross Country). Cross Country will purchase their own shirt. All other sports there will be a uniform deposit of \$40 per player (checks written out to SAC) which will be returned to you when the uniform is returned in good condition at the end of the season. Please see the enclosed Payment Policy letter for additional information.
7. Spokane Athletic Co-op reserves the right to choose who may participate in our sports program. The final decisions about participation will be made by the board of directors.
8. We have three places where you can find information and schedules:
The Spokane Athletic Co-op group page on Facebook and www.sacgoldeneagles.com (under construction). Each team except Cross Country will run on TeamSnap. This will be a crucial information point to be involved with. Please check these sites regularly as they will have the most current information. To contact our Athletic Director, Renae Severn, call or text 509-979-5855, or email drsevern@comcast.net. **Checking your email and TeamSnap daily is required since important information and updates are sent out through these methods. We will do our best to send texts or make phone calls for last-minute changes to the schedule.**
9. **All forms are due as soon as possible.**
