

**Spokane Athletic Co-op**  
**Athletics Liability Release – Activities Rules**

I understand that Spokane Athletic Co-op (SAC) is not liable for the conduct or actions of my child/children at any sport function. Any accidental or intentional damage done by my child/children to any facility SAC rents will be repaired or replaced by me.

I also understand that my child/children will be participating in a team sport that is coached by volunteers from our Christian community. These volunteers have been prescreened by SAC and represent SAC as upstanding Christian persons of godly character and values.

I will not interfere with the way the coach deems best to teach my child the sport. I will not argue with the decision of how often, how much, or in what position my child plays.

If I have a grievance with the coach, I will make an appointment to meet with the coach. I will not approach the coach before, during, or after a game without an appointment.

If my grievance is not addressed to my satisfaction by the coach, I may contact the Athletic Director. If this is not satisfactory then I may contact the SAC board and request a meeting to air my concerns.
